Reusable Bag Design Contest

For the 40th anniversary of Earth Day (April 22, 2010), Quality Greens wants to see the Earth through your eyes. Show the Okanagan how Down to Earth you are by designing your own reusable bag and supporting Quality Greens' commitment to eliminating the use of plastic bags.

The contest is open to children aged 5-13 and runs from April 22 to July 31.

Simply bring in your completed bag design to one of our Quality Greens Farm Market locations across the Okanagan and receive a **\$2 in-store coupon**. All submitted designs will be displayed in-store. One winner will be selected from each age group (5-7, 8-10 and 11-13). The winning designs will be posted on the Quality Greens website and two winners will receive a **\$25 gift certificate to Quality Greens**. The grand prize winner will receive a **\$50 gift certificate to Quality Greens** and may see their design used as a reusable bag available to Quality Greens customers later this year.

Look in-store and online for the winners to be announced this August.
